INDEPENDENT AUDITORS' REPORT

To The Partners of KEERTIKA EDUCATION & ASSOCIATES LLP

Opinion

We have audited the accompanying financial statements of **KEERTIKA EDUCATION & ASSOCIATES LLP** ("the LLP"), which comprise the Balance Sheet as at March 31, 2023 and the Statement of Profit and Loss for the year ended on that date and notes to the financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Limited Liability Partnership Act, 2008 and Limited Liability Partnership Rules, 2009 (as amended) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the LLP as at March 31, 2023 and its net results for the year ended on that date in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the Financial Statements section of our report (Appendix 1). We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and those charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements and fair presentation of the financial statements in accordance with the aforesaid accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in the aggregate, they could be reasonably expected to influence the economic decisions of users taken on the basis of these financial statements.

"Appendix 1" to the Independent Auditors' Report

The description of the auditor's responsibilities for the audit of the financial statements required to be stated as per Paragraph 41(b) of SA 700 (Revised) is stated below.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes forming part of accounts

Note 1: Significant Accounting Policies & Notes to accounts

1. Accounting Convention

The financial statements are prepared to comply in all material aspects with applicable accounting principles, the Accounting Standards issued by the Institute of Chartered Accountants of India as applicable to the non-company entities. The entity is classified under Level-II category as per the criteria for classification of the Non-company entities for applicability of accounting standards.

2. Basis of Accounting

The financial statements are prepared on Accrual basis of accounting.

3. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities. Although the estimates are based upon management's best knowledge of current events and actions, actual result could differ from these estimates.

4. Revenue Recognition

Service Income is recognised based on the number of candidates and only when there is reasonable certainty that the amount will be realised.

Interest Income is accounted for on accrual basis.

5. Depreciation

Depreciation provided as per the applicable provision of Section 32 of Income Tax Act, 1961.

6. Income Tax

Current Income Tax is measured at the amount expected to be paid to the Tax authorities in accordance with the Income Tax Act, 1961.

7. Provisions

A provision is recognized in the financial statements where there exists a present obligation as a result of a past event, the amount of which is reliably estimable, and it is probable that an outflow of resources would be necessitated in order to settle the obligation.
